Workspace Wellness Better Together

Your workspace should be more than a place where you work. It should inspire you. Improve your performance. Enhance your wellbeing. Move you.

Our full range of furniture and workspace accessories are designed to do just that: promote the positive effects of movement throughout your workday.

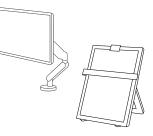

In fact, Fellowes Workspace Wellness products help you move beyond working better – they help you feel better too. Simply, it's workspace and wellness, connected.

Promote the positive effects of movement at work with Fellowes full suite of solutions.

I tend to sit for long periods of time throughout the workday

CONSIDER:

I work with documents throughout the day.

A single or dual-monitor arm with a copyholder to reduce eye and neck strain.

I can easily get into a productive workflow when I am comfortable.

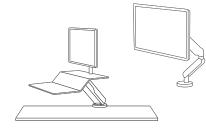

CONSIDER:

A supportive back rest and a single or dual-monitor arm for a more personalized comfort.

I frequently collaborate at my desk with others.

A sit-stand workstation or a monitor arm with 360° of rotation to help with sharing your screen.

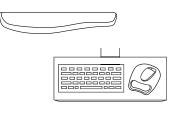

l work with sensitive documents throughout the day.

CONSIDER:

Fellowes PrivaScreen[™] Privacy Filters to meet privacy laws and protect customer, patient or client data. I work at several shared workstations throughout the day.

CONSIDER:

Our range of products featuring Microban® antimicrobial for an additional layer of protection against bacteria.

Empowerment. Control. Confidence in a deeper clean.

Fellowes® has teamed up with Microban® to include specially formulated antimicrobial protection in select products. This added layer of protection is integrated into Fellowes products at the point of manufacture to help prevent the growth of bacteria, keeping the products cleaner for longer. The technology remains active 24/7 for the life of the products, so users can worry less and focus on the job at hand.
