Work Better. Feel Better.™

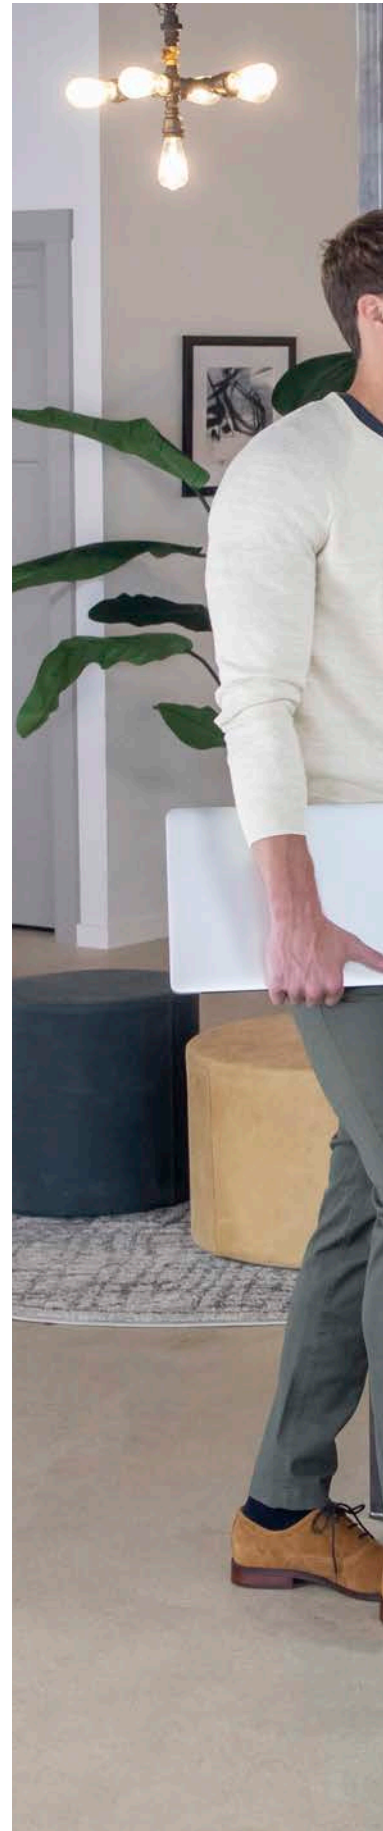

Introducing Truly Active Workspace Solutions

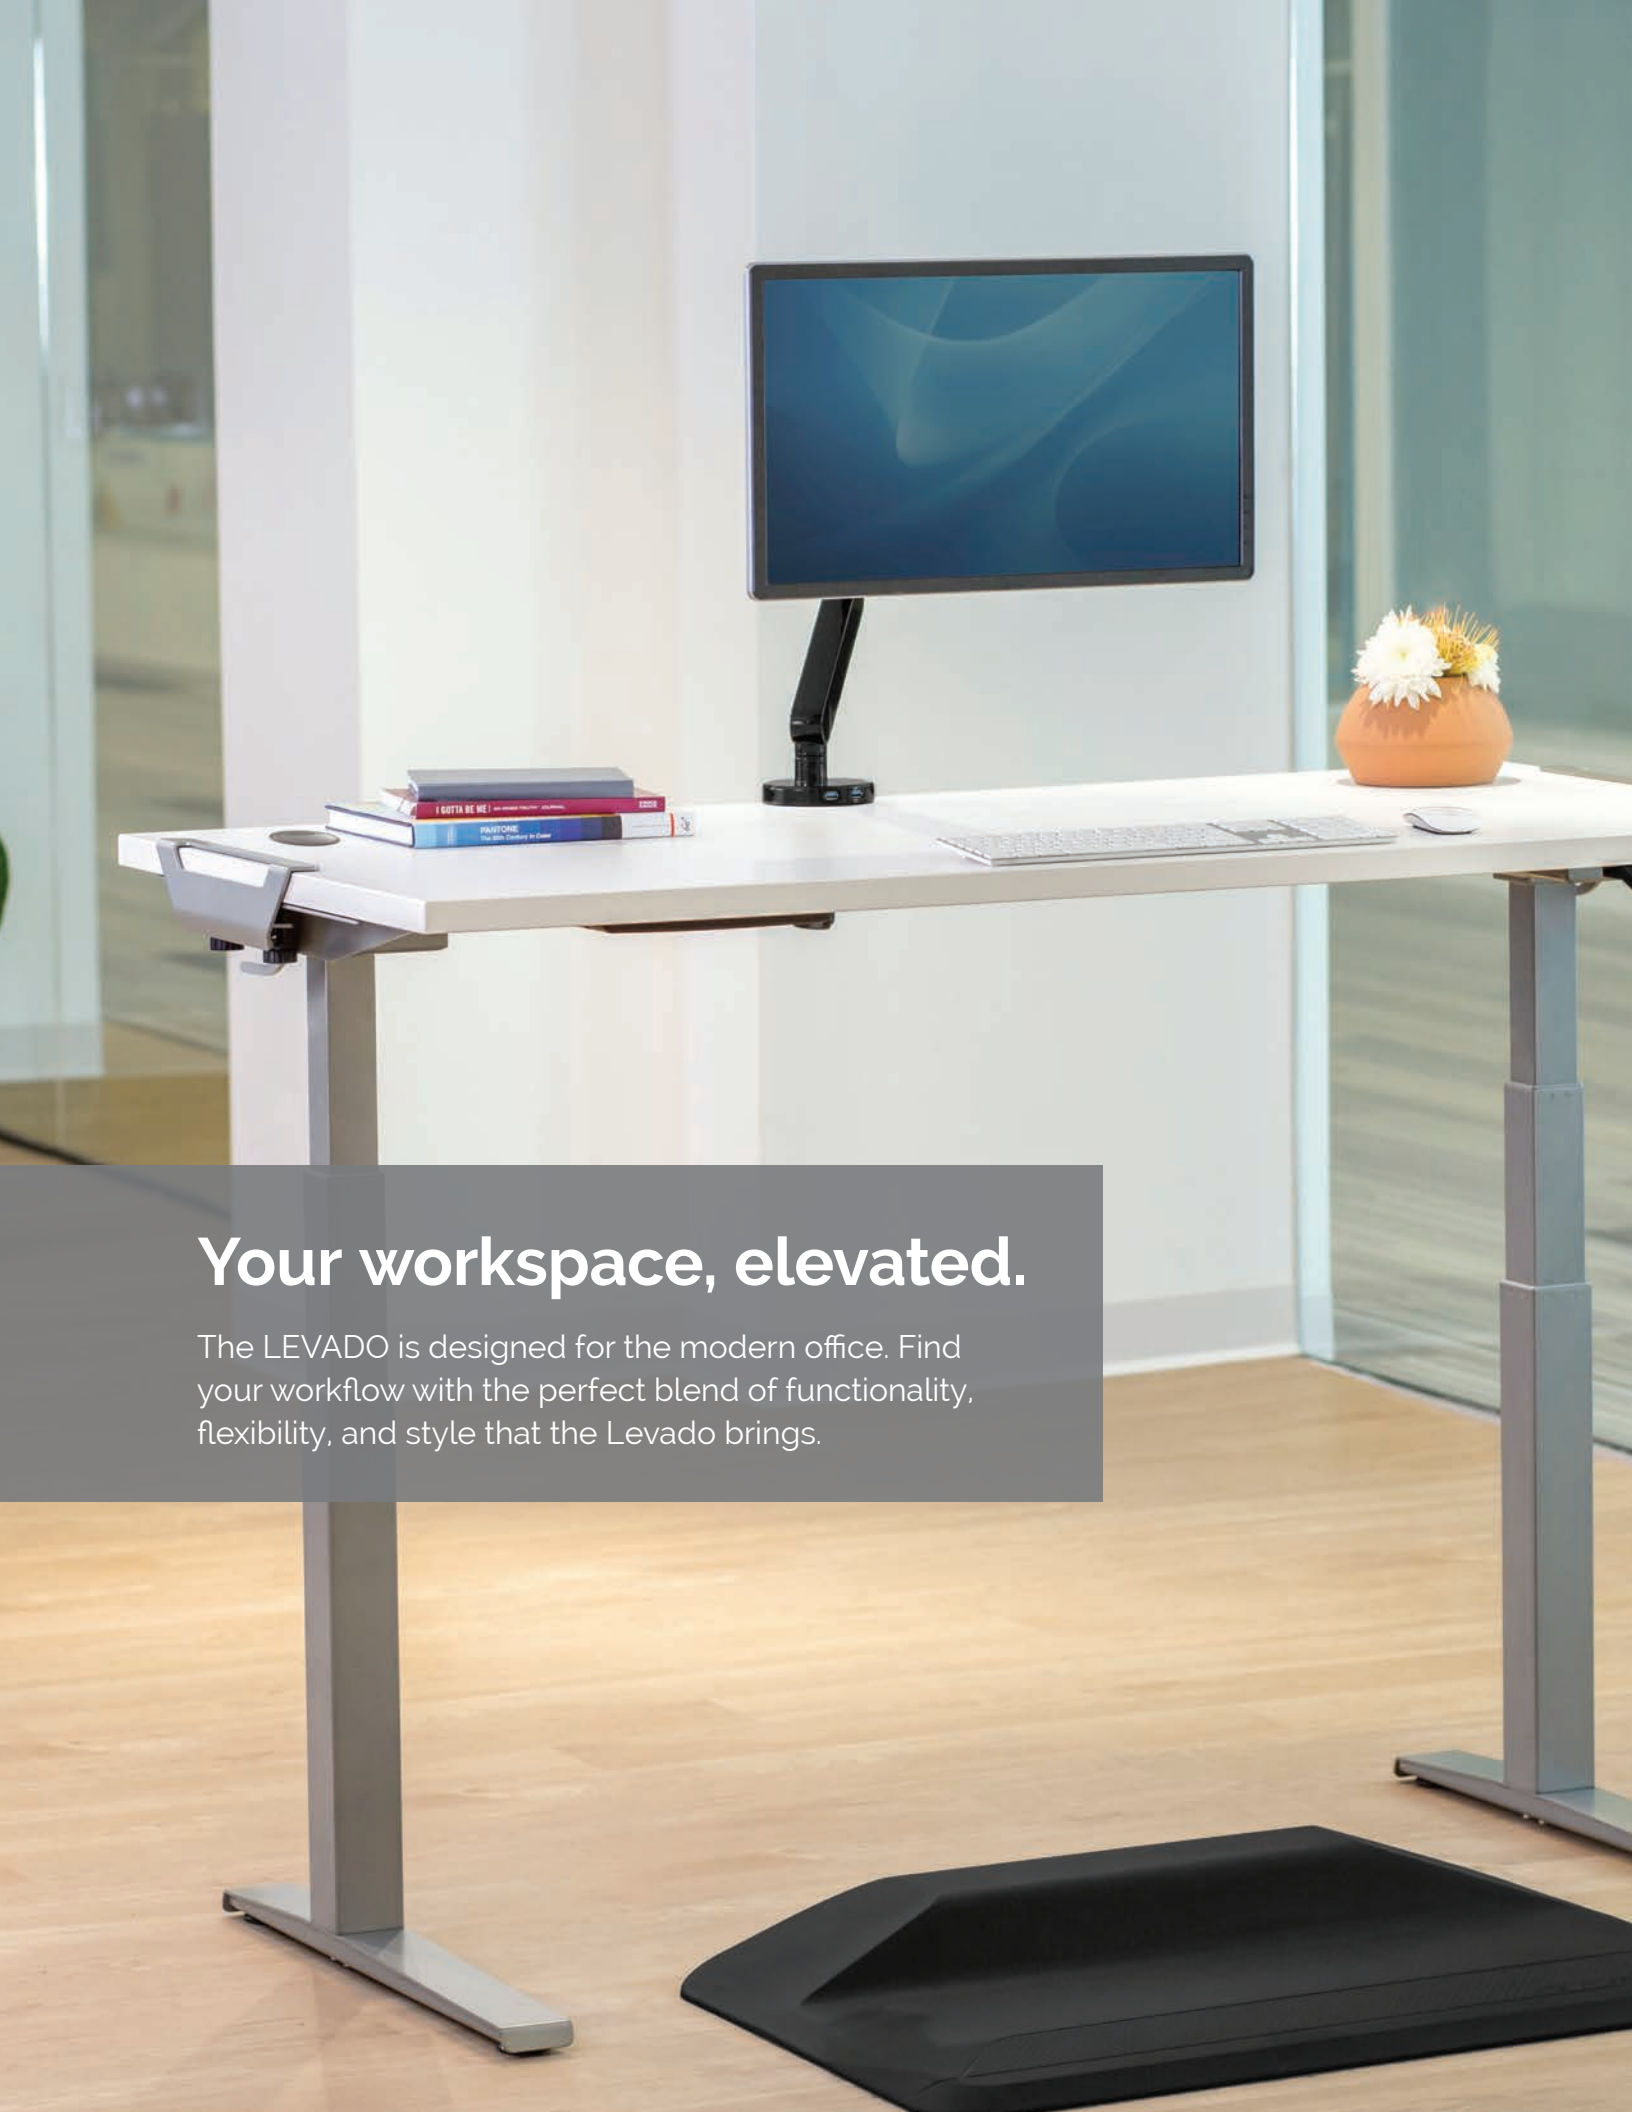

At Fellowes, we believe movement is life. That is why our complete suite of workspace solutions centers on people doing what they were intended to do—move, collaborate and invigorate.

Workspaces provide more physical, emotional and mental engagement, bringing people together, unifying efforts resulting in greater productivity. That requires a holistic approach to the workplace—holistic solutions focused on the health and wellbeing of workers.

That thoughtful approach to creating healthy, more productive work environments extends through all our products and innovations. So while Fellowes tapped the needs of businesses more than 100 years ago, we have since become the workspace furniture source to keep your workday moving.

Your workspace, elevated.

The LEVADO is designed for the modern office. Find your workflow with the perfect blend of functionality, flexibility, and style that the Levado brings.

LEVADO™

Height Adjustable Desk Base

SMART

The Levado features a sophisticated Feather-Lift™ control paddle with four programmable memory settings, a premium LED display and built-in collision detection safety feature, enabling users to achieve their perfect adjustment every time.

SOPHISTICATED

The Levado comes with a premium cable management system for a sophisticated look. Cables are easily integrated with the cable tray, for a minimalistic effect.

QUICK

The Levado frame has been engineered for quick and easy set up, and the patent-pending SwiftLok™ design is a cost benefit not to be underestimated. Save time and money with foldable legs that lock into place, with no tools required. It's quick and secure for a cost-effective installation.

FLEXIBLE

The sustainably sourced desktops are available in a range of colours and sizes to suit all office environments, and the optional VersaTop™ clamps enable a tool-free, secure attachment of any desktop onto the frame for a truly tailored solution.

ADJUSTABLE

The premium three-stage legs adjust to offer generous height and width options for pure flexibility (H - 24.2" - 48.5" | W - 48" - 72").

The choice is yours...

The VersaTop Clamps™ provide an optional tool free and secure attachment of almost any worktop to the Levado frame, meaning that the desktop design can be changed effortlessly.

Desktop dimensions:

Width: 48", 60", 72"

Depth: 24" or 30"

Thickness: 1"

Traditional mounting hardware is also included.
