

# SIT-STAND CONVERTERS

---

Lotus™ Range Brochure

A woman with curly brown hair, wearing a light pink sleeveless top and a dark blue skirt, is smiling and looking towards the right. She is standing in a meeting room. In the background, there is a whiteboard with a map of the United States and some colorful annotations. To her right, the arm and shoulder of a man in a grey sweater are visible. The wall behind her has a textured, light-colored surface.

# Get Ready

for a dynamic workspace

---

Convert your sedentary desk into an active workspace with a sit-stand desk converter from the Lotus range.

As a leader in ergonomic workspace solutions, sit-stand working was a natural progression for Fellowes®. However, we didn't want to just create any standard product. We wanted to design a range that was easier to use, simpler to adjust and performed perfectly.

The ergonomic waterfall desktop design was expertly designed to house desktop accessories such as devices and papers, while the built in cable management system keeps you tangle free wherever you move. All this adds up to a more active and more productive workspace.

Charge your phone and your mind: Use of a sit-stand desk shows increased cognitive performance <sup>1</sup>

# Lotus™ DX Sit-Stand Workstation

Optimise any workspace for greater efficiency and flexibility with the Lotus DX, designed to empower healthy movement and improved productivity.

- Qi-enabled wireless charging and built-in USB ports
- Keep your workstation stable and change positions effortlessly with patent-pending Smooth Lift Technology™
- Customise your comfort with 22 different height settings and over 43.2cm of vertical adjustment
- Built-in Microban® antibacterial protection fights the growth of harmful bacteria, perfect for shared environments
- Experience freedom of movement through innovative cable management with rear USB ports for your keyboard and mouse
- Arrives fully assembled—no complicated instructions, no mounting; just unpack and get started

Lotus DX (white) - 8081101
