Heavy duty, quality-built, multifunction binding machine with the flexibility of standard 3:1 (34 loop) wire and standard plastic comb formats in the same machine giving a binding capacity of up to 500 sheets of copier paper.

- Electric punching
- Unique ability to handle standard 3:1 (34 loop) wires and standard plastic combs in the same machine.
- No need for specialist wires as with other multifunction wire/comb machines!
- Built-in wire closer
- A4 & US letter formats
- Vertical punching for greater accuracy
- Wire size selector
- Adjustable guide line
- Save space - can be stored on its end when not in use.
- 2-year warranty
