

New Model of the Full-Auto Laminator Series

# Laminating Work Will Be Even Easier

# Revo Any

## The Big Difference Between a Manual Laminator and Revo, Within 1 Hour.

If using a general business laminator, the user must stand by the machine the entire time.

Place paper on the tray and press the start button. Then focus on other tasks while it laminates automatically.

**Compact Size  
that Fits  
ANYwhere**

**Simple Operation for  
ANY Job Required**

Set paper on the tray, press the start button, and walk away. It will laminate fully automatically.

**Easy Film Setting  
for ANYone**

Quick film exchange with a wide-open cover and film-cassette method.
