SAFESCAN 2610

BANKNOTE COUNTER

COUNT BANKNOTES EASIER AND FASTER

The robust and reliable Safescan 2610 banknote counter offers basic UV counterfeit detection with fast and 100% accurate counting of your banknotes. This versatile money counter is suitable for all currencies.

Waiting is a thing of the past! This professional banknote counter quickly and accurately counts your banknotes with an adjustable speed up to 1.500 notes per minute. Conveniently the Safescan 2610 allows you to continue adding new banknotes onto the 300 notes capacity hopper while the money counter is in full operation. In addition, the batch function will help you to prepare your banknotes in batch sizes of 1 – 200 pieces. Simply type in the desired batch size on the numeric keyboard. Finally, the counting results are displayed neatly on the large LCD screen on the machine.

- Counting and UV counterfeit detection
- Suitable for all currencies
- Size detection and warning alarm
- Large hopper capacity of 300 notes for high capacity counting
- Stacker capacity of 220 notes
- Add & Batch function
- Adjustable counting speed
