

SAFESCAN 2650 BANKNOTE COUNTER

The robust and reliable Safescan 2650 banknote counter offers 3-point counterfeit detection with fast and 100% accurate counting of your banknotes. This professional money counter is suitable for all currencies. It quickly and accurately counts your banknotes with an adjustable speed of up to 1.500 notes per minute. Conveniently, the Safescan 2650 allows you to continue adding new banknotes onto the 300 notes capacity hopper while the money counter is in full operation. In addition, the batch function will help you to prepare your banknotes in batch sizes of 1 – 200 pieces. Simply type in the desired batch size on the numeric keyboard.
