

 Sino-German Cooperation

Bonsai is a brand of Bonsen electronics, who was founded in 2005, **cooperated with German shredder manufacturer** and became the sole Sino-German joint venture

Sino-German Cooperation

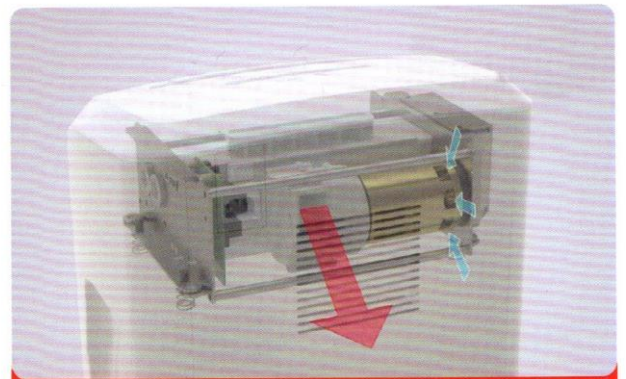

German quality 3 years warranty on models 3S16 to 5S30

Solid Cutters
7 years warranty on models 3S16 to 5S30

High precision motor and gear system for ultra-low noise operation

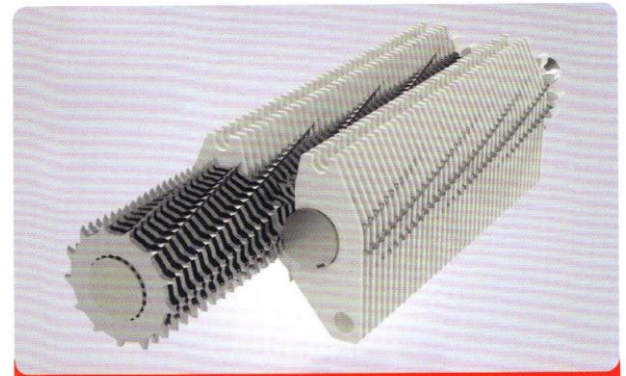

Patented cooling technology

Patented cooling technology for high performance continuous shredding

High precision motor and gear system for ultra-low noise

Patented cutting system

High security grade (DIN 32757 / DIN 66399) 4/P-5 Experts in keeping information confidential

Advanced touch control system

Advanced controls

Automatic anti-jam and auto-reverse technology

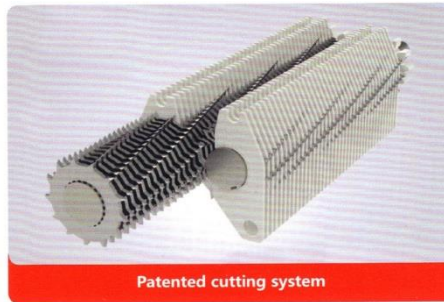

Manual energy saving standby function

德國設計全鋼刀頭，耐用情度較一般國產機耐用可靠
 獨特的散熱系統，可連續碎紙能力1小時，無須停機 cool down
 中間選擇和價格，具備德國機的質量和大陸機的價廉，中上等品質，預算有限之選

Advanced controls

Patented cutting system

Patented cooling technology

Bonsaii 3S16

HIGH QUALITY PAPER SHREDDER

2 x 2 cutter and collect concept separate
 CD and paper cutting cylinders
 雙刀頭設計，獨立刀頭碎 CD

- Shred type: Cross cut
- Shred capacity: 12 sheets (80g A4)
- Shred size(mm): 4×35mm
- Continuous shred capacity: 1 hours
- Security level: 4
- Noise: 58dB
- Shred function: paper / CD / credit card / staple / clip
- **CD throat/capacity: Yes/1**
- Solid cutter: Yes
- Cooling fan system: Yes
- Over-heating protection: Yes
- Over-loading protection: Yes
- Auto reverse/start/stop: Yes
- Bin volume (pull-out bin): 16L
- CD bin volume: 1.4L
- Product size (mm)(L×W×H): 345×240×510
- Product net weight (kg): 10 kg
