

2339 | 3140

Centralised office shredders with 400 mm feed opening for large format paper or continuous forms. With a high shred performance of up to 41 sheets at a time and a high volume for the shredded material these two shredder models are ideal for large amounts of paper.

EBA 2339 S | C

Powerful high-capacity office shredder with 400 mm feed opening for large formats and EDP continuous forms. SPS – Safety Protection System as described on pages 8 | 9. Multifunction control element EASY_SWITCH with integrated optical indicators for the operational status of the shredder. Automatic start/stop via a photo cell. High-quality paper clip proof cutting shafts from special hardened steel. Lifetime guarantee on breakage of the cutting shafts. Model variations with 6 mm strip cut and 4 x 40 mm cross cut suitable for safe shredding of the most common CDs and DVDs. Quiet but powerful 640 Watt single phase motor for continuous operation. Sturdy "Twin Drive System" with fully closed gear box housing. High-quality wooden cabinet, movable on castors. Environmentally-friendly shred bin with 165 litres volume for the shreds (no disposable shred bags required). Attractive colour combination silver / dark grey.

EBA 3140 S | C

Basic features same as for model EBA 2339 S and 2339 C. For an extremely high shred performance of up to 41 sheets at a time this model comes with a powerful 1300 watt single phase motor for continuous operation. ECC – Electronic Capacity Control: the indication of the used sheet capacity during the shredding process helps to avoid paper jams. Practical shred bin made of unbreakable plastic with 165 litres volume. Attractive colour combination silver / dark grey.

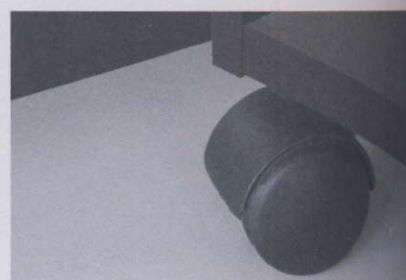

Intelligent control via the multifunction control element EASY_SWITCH with illuminated symbols for the operational status of the shredder.

These shredders feature a lightweight shred bin made of unbreakable polypropylene, which guarantees an easy and clean removal of the full bin.

Practical swivel castors provide mobility. The shredder can be rolled easily to different locations in your office if necessary.
